9.2. Games

If a game is interrupted before the end by the Player, the latter will lose the chance of any winnings. If a game is interrupted before the end because of a technical problem, the Player must contact Customer Service immediately. The rules relating to the Games offered by NOORDZEE ELECTRONICS AND PLAY N BET are subject to specific terms and conditions of use which you can view in each of the games.

9.3 Bets

9.3.1. Definitions

"A bet" is the choice of one possible outcome of many possible outcomes of an event. The 'real' bets are bets placed on sports events or other events, the stake of which is accepted by a betting office, a bookmaker, on our website, etc. The 'virtual' bets are bets managed by means of the instruments of the company providing the information. These are in fact virtual events which are related to the online games of chance and the participation in these events occurs via a computer, tablet, etc.

"A betting slip" is the "slip" containing the information registered by the player. It can contain one or more bets.

"Single betting slip" - refers to a betting slip containing one bet and one bet only. If the bet chosen by the player is right, the slip will also be a winner. The winnings for a "single" betting slip are calculated by multiplying the bet by the odds associated with the chosen bet.

"Multi betting slip" - a "multi" betting slip is one containing between two and eight different bets, all of which must be right for the slip to win. The "multi" betting slip will not be a winner if even one bet is wrong. The "multiplier" concept is applied to the calculation of the overall odds of the betting slip and hence to its potential winnings. The latter are calculated by multiplying your stake by the product of the various odds on the betting slip.

For example: a Player bets 5 euros that Standard will beat Anderlecht (odds = 1.5) AND that Bruges will beat Liverpool (odds = 2), the final odds are $1.5 \times 2 = 3$ and the total winnings will be 15 euros (5 euros \times 1.5 \times 2) if Standard and Bruges both win.

If Anderlecht wins and Bruges draws, it will be a losing bet.

If one of the bets on the multi betting slip is cancelled, the winnings are then calculated on the basis of the remaining bets if they are all winning bets.

Example: the Player bets 5 euros that Standard will beat Anderlecht (odds = 1.5) AND that Bruges will beat Liverpool (odds = 2) AND that Paris will beat Toulouse (odds = 2.5).

The final odds are $1.5 \times 2 \times 2.5 = 7.5$ and the total winnings will be 37.50 euros (5 euros \times 1.5 \times 2 \times 2.5) if Standard, Bruges and Paris win. If the Standard match is postponed by more than 48 hours, the bet will now only be valid for the Bruges and Paris matches. The final odds are therefore $2 \times 2.5 = 5$ and the total winnings will be 25 euros (5 euros \times 2 \times 2.5) if Bruges and Paris win.

"System betting slip" - A "system" betting slip is a special betting slip containing a selection of 3 to 8 different bets.

This is the most "complete" betting slip there is. This is because, with a "system" betting slip,

you can accumulate the equivalent of many betting slips from your selection. You can put stakes on multi bets and partial multi bets.

- With 3 bets on the betting slip, you can create 1 "multi" betting slip with 3 bets and 3 "double partial multi" betting slips (in other words, 3 slips where the 3 bets are combined 2 by 2).

- With 4 bets on the betting slip, you can create 1 "multi" betting slip with 4 bets, 6 "double partial multi" betting slips (in other words, 6 slips where the 4 bets are combined 2 by 2) and 4 "triple partial multi" betting slips (in other words 4 slips where the 4 bets are combined 3 by 3.).

- etc.

Warning! For each line (double, triple etc.) your stake is multiplied by the number of possible results. For example, if you have 6 bets on your betting slip and you decide to put your stake on a "quadruple" line, your stake will be multiplied by 15 (because it is possible to make 15 combinations of 4 bets from a selection of 6 bets) to improve your chances.

"Special system betting slips" - On the "System" betting slip tab you can bet on special systems, which are all the pre-defined combinations with an equal stake on each. The precise definitions are shown below.

Paris	Type	Double s	Triples	Quadruple s	Quintuple s	Sextuples	Septuple s	Octuple s	Total
3	Trixie	3	1						4
4	Yankee	6	4	1					11
5	Canadian	10	10	5	1				26
6	Heinz	15	20	15	6	1			57
7	Super Heinz	21	35	35	21	7	1		120
8	Goliath	28	56	70	56	28	8	1	247

- So, for a selection of 3 bets, you can bet once on 4 different combinations (Trixie).

- For a selection of 4 bets, you can select the "Yankee" which covers 11 different combinations.

- Etc.

"Trixie": system based on a selection of 3 bets comprising three double combinations and a triple combination (4 bets in total). At least two bets must be right for you to collect any winnings. The exact amount of your winnings depends on the number of bets that are right.

"Yankee": system based on a selection of 4 bets comprising six double combinations, four triple combinations and a quadruple combination (11 bets in total). At least two bets must be right for you to collect any winnings. The exact amount of your winnings depends on the number of bets that are right.

"Canadian": system based on a selection of 5 bets comprising ten double combinations, ten triple combinations, five quadruple combinations and a quintuple combination (26 bets in

total). At least two bets must be right for you to collect any winnings. The exact amount of your winnings depends on the number of bets that are right.

"Heinz": system based on a selection of 6 bets comprising fifteen double combinations, twenty triple combinations, fifteen quadruple combinations, six quintuple combinations and a sextuple combination (57 bets in total). At least two bets must be right for you to collect any winnings. The exact amount of your winnings depends on the number of bets that are right.

"Super Heinz": system based on a selection of 7 bets comprising twenty-one double combinations, thirty-five triple combinations, thirty-five quadruple combinations, twenty-one quintuple combinations, seven sextuple combinations and a septuple combination (120 bets in total). At least two bets must be right for you to collect any winnings. The exact amount of your winnings depends on the number of bets that are right.

"Goliath": system based on a selection of 8 bets comprising 28 double combinations, 56 triple combinations, 70 quadruple combinations, 56 quintuple combinations, 28 sextuple combinations, 8 septuple combinations and 1 octuple combination (247 bets in total). At least two bets must be right for you to collect any winnings. The exact amount of your winnings depends on the number of bets that are right.

9.3.2 Registration of a betting slip

A betting slip is registered by placing a bet for a certain amount, with a free choice of games, and by confirming the betting slip. The total stake for the betting slip is immediately debited from the Player Account.

If the Player Account does not contain sufficient funds for the chosen stake, the Player will not be able to register the betting slip of his/her choice.

Betting slips cannot be cancelled once they have been accepted. The Player must ensure that the information relating to the bets he/she has made is correct.

The player has sole responsibility for checking the betting slip.

The player is deemed to have approved and tacitly accepted all the information on the betting slip unless he/she requests cancellation. This presumption is irrevocable from the moment it is no longer possible to challenge the information on the betting slip.

The only currency accepted for placing bets on NOORDZEE ELECTRONICS AND PLAY N BET is the euro.

All betting selections are subject to the pre-set limits defined solely at the convenience of NOORDZEE ELECTRONICS AND PLAY N BET.

Players are obliged to place their bets personally.

The possible winnings are determined by the bet and the odds offered and can be viewed immediately. The Player will be informed of the result as soon as possible after the end of a bet; any winnings will be credited to his/her Player Account.

If a result should prove to be incorrect and any winnings have already been communicated to the Player, NOORDZEE ELECTRONICS AND PLAY N BET reserves the right to make the necessary corrections without prior notice. NOORDZEE ELECTRONICS AND PLAY N BET reserves the right to limit the amount of the individual or collective stake per bet and/or per day and/or per month.

9.3.3 Correction of errors

All the odds are subject to variation and become final at the time a bet is placed. Nevertheless, NOORDZEE ELECTRONICS AND PLAY N BET reserves the right at any time to correct obvious errors in the inputting of the odds for the bets, or to cancel bets placed on the basis of odds that are obviously incorrect.

NOORDZEE ELECTRONICS AND PLAY N BET cannot be held liable for any obvious display error for odds, results or any other information, and no Player may make any claim for damages as a result of such an error.

An "error" is a mistake, a typographical error, a misinterpretation, a misunderstanding, a misreading, a misinterpretation, a misspelling, a technical error, a registration error, a transaction error, a clerical error, a case of force majeure and/or similar. A non-exhaustive list of example of errors includes:

- Bets accepted during a technical problem but which would not have been accepted under normal circumstances;
- Bets placed on events/other gambling opportunities the outcome of which is already known;
- Bets on events where the participants are found to be improper;
- Bets placed on odds that are materially different from those available for the events at the time the wager was placed;
- Offers of bets whose odds reflect an incorrect or different score;
- Clearly incorrect odds based on the probability of an event happening at the time the bet was placed.

9.3.4 Limitation of stakes

The maximum and minimum amount of stakes authorised for all sports betting is defined by the "bookmaker", who reserves the right to change this without notice. Moreover, NOORDZEE ELECTRONICS AND PLAY N BET also reserves the right at any time to impose specific limits on certain player accounts or during certain events.

If a Player places one or more bets with potential winnings in excess of the defined limit of winnings, NOORDZEE ELECTRONICS AND PLAY N BET shall be entitled to reduce the amount of the stake by the amount required to comply with the winnings limits at any time, including after the result is known.

If you are suspected of fraud, connivance or illegal or improper activity, we reserve the right to limit Your bets.

9.3.5 Late bets

If, for any reason, a bet is placed after the start of the competition, it will be declared invalid (this provision does not concern bets in play) and will be refunded. The same will apply to bets on competitions for which the result is already known at the time the bet is placed.

Any dispute by the Player about the precise time at which the competition started must be based on official information issued by the organisers of the competition confirming the precise start time. If the player is unable to provide such documents or information from the competition organisers, the start time recorded by NOORDZEE ELECTRONICS AND PLAY N BET will apply and will be deemed the only one valid for bets registered for this competition.

9.3.6. Return

If a "return" is announced for a bet, this means that the bet wins with a factor of "1". In the case of a "single bet", this implies that the Player will recover the amount of his bet. For "multi bets" or "system bets", the total coefficient will be modified taking account of the "return" affecting one of the competitions.

9.3.7 Suspension of an event

An event will be deemed to have been suspended if it is called off at a point earlier than the minimum playing time for the competition of which it is part. If the event is permanently suspended, it will be deemed to have been cancelled and any bets will be refunded.

9.3.8 Changes to the start of an event

If the start time of an event changes, all bets on this event will be refunded unless otherwise specified in the sports regulations.

9.3.8 Changes to the venue of an event

If an event is moved to a venue that is considered "neutral territory", the bets will remain valid and the odds will be unchanged. Bets will be refunded if the playing venue is changed to that belonging to the team supposed to be the away team.

Bets will remain valid for events where the competing teams are from the same town and the events are moved to a different venue in the same town. For international events, bets will only be refunded if the playing venue is moved to that belonging to the team supposed to be the away team.

9.3.10 Results of bets

NOORDZEE ELECTRONICS AND PLAYN BET® will verify the results of an event based on the official results announced at the end of the competition. The bets will be calculated based on the results published on the NOORDZEE ELECTRONICS AND PLAYN BET® Site under "Results". Nevertheless, in the event of discrepancies in the results issued by more than one official source or in the event of an obvious error, NOORDZEE ELECTRONICS AND PLAYN BET® reserves the right to determine the final result.

Any complaints relating to the accuracy of the results shown on the NOORDZEE ELECTRONICS AND PLAYN BET® site must be based on the official results (in particular the results shown on the sites of the official bodies responsible for the event) to the exclusion of any other source of information.

Specifically, the results of the bets will be settled based on information obtained from the following official sites:

Other sources of information may be used to determine the results if necessary. In exceptional circumstances, NOORDZEE ELECTRONICS AND PLAY N BET® or the organiser of the bet reserves the right to use video imaging to determine the final result.

During events that are broadcast live, the results that are deemed to be valid will be those announced immediately at the end of the event/competition. Any subsequent change to these results will be disregarded when determining the winning bets.

If more than one team or player is declared the winner during a competition, the winnings factor will be divided by the number of winners (this factor cannot be less than 1).

If an event/tournament is suspended, this suspension will not affect bets made on a part of the event/tournament (such as bets on the player to score the next goal, or who will win the next leg of the tie) once the results of these bets are known and corresponding bets are deemed to have been completed.

If a match is definitively deemed to be unfinished, all bets made on the match will be cancelled and refunded unless otherwise arranged, including when the results are considered final at the end of the interruption.

Unless otherwise specified in the sports regulations, the result announced on the date of a match is in principle the one that will be taken into account for determining the winning bets. Any subsequent amendment of the result by the official or disciplinary authorities will be disregarded for determining the winner of the bets.

A "syndicate bet" is an act, not authorised by NOORDZEE ELECTRONICS AND PLAY N BET, in which an account holder or parties acting in association with an account holder do not comply with the NOORDZEE ELECTRONICS AND PLAY N BET rules, directly and indirectly. When it is clear any account holders have acted in this manner, NOORDZEE ELECTRONICS AND PLAY N BET reserve the right to cancel bets and/or defer payment of winnings until the conclusion of an enquiry.

In the event that NOORDZEE ELECTRONICS AND PLAY N BET have reasonable grounds to suspect that a series of bets has been placed by a player or a group of players and which, as part of a bet, a bonus, a free bet or any other promotional offer, is based on guaranteed profits for the customer(s) irrespective of the result, NOORDZEE ELECTRONICS AND PLAY N BET reserve the right to recover the bonus, pay the exact odds, cancel bets and/or cancel the bets financed by the bonus or bonus winnings.

9.3.12 Competition fraud

If fraud, match-fixing or any other irregularities that could compromise the integrity of a sporting event of a bet is suspected, the event in question will be suspended from the list of events and bets on this event will no longer be verified. The bets may be cancelled and the stakes refunded. NOORDZEE ELECTRONICS AND PLAY N BET reserve the right to suspend access to the account until any investigation it deems necessary is completed.

9.3.13 Failure to take part in a competition

Unless otherwise specified in the sports regulations, if a (sports) competitor cannot take part in an event for any reason, where a bet relating to him/her has been placed on this event, the bet will be deemed valid and the player's stake will be forfeited.

However, a bet will be cancelled and refunded in the following situations:

- the event/tournament is cancelled.
- the event/tournament is declared null and void.
- the venue for the event is changed.
- the event/tournament is suspended.

For "whichever is the greater" type bets, a result with two items of data is required to determine the winning bet. If one of the competitors refuses to take part in the competition/tournament, the bet will be refunded.

9.3.15 Sports regulations

In the event of bets on "even numbers / odd numbers", irrespective of the sports or the stake (such as the number of goals / cards played / mistakes etc.), if the result is "0", the result of the bet will be deemed to be an "even number".

All bets on the number of medals won during a competition are calculated according to the official medal table at the end of the competition. Any change made subsequently by the authorities responsible for the competition will be disregarded.

All medals won by the members of a country's team during competitions are added up once, regardless of the number of sportsmen/-women or players making up the team.
